## Assessment and Property

### Information Available

The Department website gives all residents easy access to real and personal property records in St. Louis County. The Assessor's records are public information and include:

<b>Real Property</b>	
Owner	Dwelling Detail
Taxing Address	Sales History
Subdivision	Property Sketch
Legal Description	Square Footage
Lot Dimensions	Taxes Due
Appraised / Assessed Values	Tax History
	Comparable Sales

<b>Personal Property</b>	
Owner	Declaration Detail
Taxing Address	Assessed Value
Tax Rate	5-Year History

Since 2009, property owners in St. Louis County can view real estate sales in their area online. This new feature allows property owners to review details of the properties that have been used as comparables to arrive at the fair market value of their own property. A glossary of assessment terms has been added to make the new search tool even more user-friendly.

The information can be found at:
