

St. Louis County 2005 Real Estate STC Filing by School District report.

The following is a list of 2005 real estate appeals pending before the State Tax Commission (STC). It is sorted by school district and identifies for each appeal: the STC case number; the property locator number; the name of the tax representative, if identified; and the appealed property's appraised value. The value proposed by the tax payer is not currently available. This report was compiled manually from information supplied by the STC. It will be revised and updated on a periodic basis as more information becomes available.
