

ST. LOUIS COUNTY PP DATA DICTIONARY FOR PP ROLE

PPROLL_ADMN	<p>This file contains all active Personal Property records for the current tax year. The PARID, or account number, is the primary key. There will only be one record for each PARID on this table.</p>
PPROLL_ASMT	<p>This table contains summary assessment information for each account listed in the PPROLL_ADMN table. A PARID can have multiple ASMT records.</p>
PPROLL_DETAIL	<p>This table contains all of the asset detail for each account. If the VEHFLAG is 'Y' then then asset is a vehicle, otherwise the assets are equipments and/or livestock.</p>
PPROLL_ALTNAM	<p>Records listed on this table are the "taxing name" and the "taxing in care of" (if applicable) for all PPNBHD except 'I'. A PARID can have multiple ALTNAM records.</p>
